VINCI
AUTOROUTES

TOUS ENGAGÉS POUR
**la prévention
et la santé
au travail**

ENJEU '1
Risques routiers

Poursuivons nos actions de formation aux règles d'intervention. Assurons-nous du bon respect de nos procédures d'intervention. Renforçons nos actions de sensibilisation auprès des usagers.

ENJEU '2
Facteurs humains

Engageons-nous à être TOUS exemplaires. Luttons contre les comportements à risque. Soyons chacun au quotidien acteur de la prévention.

ENJEU '3
Sécurité des intervenants

Capitalisons sur notre démarche sécurité 100% chantiers. Mobilisons-nous sur le terrain pour la sécurité de nos partenaires. Échangeons sur nos expériences et nos savoir-faire.

ENJEU '4
Santé au travail

Luttons contre les accidents et améliorons nos environnements de travail. Prévenons les maladies professionnelles. Préservons notre santé.

Rien ne justifie que l'on se blesse au travail

**But always 1 damaged security truck/week
and 2 employees died in the last 4 years**

One answer : l'EMA
