

Julián Núñez appointed ASECAP President for 2024

ASECAP, the European Association of Operators of Toll Road Infrastructures is pleased to announce that Julián Núñez, SEOPAN President (the Spanish Association of Infrastructure Contractors and Concessionaires) has been appointed as ASECAP President for the year 2024 during the General Assembly which took place on November 28th in Brussels.

"I'm delighted to congratulate Julián Núñez on taking the helm as President of ASECAP for 2024. Julián's skills and expertise will bring great value to ASECAP and the toll road infrastructure companies" said ASECAP Secretary General and CEO Malika Seddi.

Julián Núñez, civil engineer graduated at the Madrid Polytechnic University with an Executive MBA at the IE Business School is currently the SEOPAN President since 2013. He is also Vice President and a member of the Board of Directors at the Spanish Confederation of Business Organizations (CEOE); Vice President of the National Confederation of Construction (CNC); Council Member of the Labor Foundation of Construction (FLC); a Member of the Spanish Road Association (AEC) Board of Directors.

"I am particularly honored to serve as 2024 ASECAP President at this particular time and I can ensure the ASECAP members that I will put all my efforts and energy in facing the new challenges ahead." More than ever today, there is a need to invest in transport decarbonisation which will be only effective if road transport is decarbonised. There is also an important priority to maintain road infrastructure to keep them resilient and compliant with all the environmental issues.. I will build on my predecessors works and initiatives to highlight the contribution of our sector to the Economy and Society. Road infrastructure has also a major role to play in reaching the ambitious goal set up by the European Union to be carbon neutral by 2050, said **Julián Núñez, newly appointed ASECAP President**. I am happy to be supported by the ASECAP Board composed of:

- **Mr Konstantinos Koutsoukos**, HELLASTRON Past President, **First Vice-President of ASECAP**
- **Mr Christophe Boutin**, ASFA Executive Director, **Second Vice-President of ASECAP**
- **Mr Josef Fiala**, CFO of ASFINAG, Immediate **Past President of ASECAP**
- **Mr Manuel Melo Ramos**, APCAP President,
- **Mr Massimo Schintu**, AISCAT Executive Director

About ASECAP - www.asecap.com

ASECAP is the European Association of Operators of Toll Road Infrastructures across 19 member countries representing 125 companies employing more than 40.000 direct jobs and 200.000 indirect jobs. They operate, maintain, manage a network of around 82.000 km with a long-term vision that ensures highest quality standards to make the road infrastructure safest, reducing carbon footprint and preserving the environment thank to the user/polluter/payer principle providing sustainable financing.
